

Lincoln Oaks Ladies League

Welcome back to all of last year's league members, and welcome to all new golfers! Last year we had nearly 50 golfers take part in our league, and we expect continued growth in 2009. The League fees for the year will stay at \$80.00. Fees will include prizes every week, instructional clinics, league handicaps, and the year end banquet. CONTINUING THIS YEAR will be our LADIES NIGHT OUT monthly specials. We will be changing some of the weekly matches to add a little more variety and a lot more fun!

We will continue to offer a full menu at night as well as drink specials. Our goal is to have fun and continue to improve our golf games. New league rules will be set up to be more golfer friendly. Lincoln Oaks' PGA Golf Professional, Nicole Petreust, will be taking over the clinics and will also be available for individual golf lessons.
